## CREATIVE WORKS

---

### Reporthink.com

[ 01/05/2021 – Current ]

A modern infrastructure proposal to companies for a paper-free and Excel-free working environment. The main objective of this approach is to fill the gap between daily routine tasks and SAP-alike ERPs by providing paperless and Excel-less workflow. This is done via putting all the data online, processing them ontime, creating automatic reports etc.

### Mutabakatlar.com

[ 01/10/2020 – Current ]

Mutabakatlar (meaning "Reconciliations") is a **robotic** website for online & ontime tracking of current (customer & supplier) accounts. The system also provides automatic reconciliations with related parties. Mutabakatlar.com is based on my own Reporthink infrastructure.

### Dreaminwall.com

[ 01/02/2021 – Current ]

An extraordinary e-commerce website to create and order print & frames online thru a unique 3D configurator. This website is similar to Whitewall.de

### Ucuzmatik.com

[ 01/03/2004 – 01/10/2015 ]

Ucuzmatik was a comparison shopping engine with actual prices and very detailed specifications of products.
